RE's Corner
By Jason Vehige

Hope everyone is enjoying the spring like weather we have been having. Yeah this article is a bit late getting to our great RM editor. From time to time job stresses soak up a lot of time and that has been the case for me as of late. I was able to get the kart ready to go!!

The other reason this RM is being sent out late in the month is that we have run into a little snag with the Wave Pool lot. We were originally told that the lot rental would be about 200 dollars give or take a little. This has now changed to 1000 dollars for the day!! We are working hard to get this fixed and keep the event on track. I was hoping to have a final answer for the March RM but time is running short. So please double check the Schedule online (or the forums) before you head out for the April event. If the wave pool is a no go we will be at Riverside HS. For those who do not take well to computers just give me a call at 304-205-7117 before the event.

I am writing this just after the March event and we had 40 drivers!! Brian put down a great course and a good time was had by all. The event was also very significant because it marked the official start of our Formula Jr program. Patrick Richmond and Taylor Young did great and improved by huge amounts in only one day!! Congrats to both of you. For more info on the FJ program please contact Robbie. I want everyone to know that we will be tweaking the FJ process to give the kids maximum fun without too much impact to the overall event. These kids are the clubs future, it is important that we welcome them to our events.

See everyone in April... keep an eye out for the final verdict on the location!!

WANTED - NEW *RICH MIXTURE* EDITOR/GURU

The editor is responsible for the content of *RM*, for the layout of each issue, and for getting each issue to the printer for publishing. Actual publishing and mailing is handled by the UPS Store (with mailing list provided by the Membership Chair).

Basic computer skills required; some artistic/graphic layout capability a major plus (especially after the last few years!). Requires only a few hours per month. On the job training available. No pay, but high job satisfaction.

Contact Jonathan Byrne (see inside cover for contact info) if interested.

NEWS FROM THE CO-DIVISIONAL SOLO STEWARDS FOR GREAT LAKES DIVISION!

It's that time of year again! Time to start thinking about the solo season for 2010! We already have plans in place to make autocrossing in the Great Lakes Division even more fun this year!

The season starts out with Solo Spring Training, scheduled for Saturday, March 20th in Indianapolis. It will take place at Andersen Logistics located on the east side of Indy. It was held here in 2005 and 2006. Several people have asked if we were going to have it again so the short answer is – YES. We will open the facility at 9 for people to register and get their bearings on which seminars they would like to attend, with the first seminar starting about 10. We will go until 4:30 or 5:00, depending on participation at the last seminar. A Solo Safety Steward training session will be offered – great chance for those that would like to become a first time safety steward and for those that need the “refresher” course that SCCA is requesting everyone take after they have had their SSS license for a few years. Some of the other seminars being planned are tech inspection, data acquisition, course design – all designed to help regions make their solo programs better. There is a flyer on the soloserries.org website so check that out and contact Marlene or Velma for more information and directions.

This is the 25th Anniversary for the series in this part of the country. We started out in 1986 with Yokohama as the main sponsor and at that time, the series covered the area called CenDiv. When the split took place a few years ago, the decision was made to continue with a series and now it covers just the regions in GLDiv. Still the same great series and the same great people participating – just a smaller geographic area. The series schedule is beginning to take shape. The decision has been made to have a four event series and end the series with the divisional at Grissom in August. Again, continue to check the soloserries.org website for updates.

Kim Bollinger has agreed to put the calendar together again for 2010 to post on the website. Thank you, Kim! Her e-mail is kkbollinger@sbcglobal.net. If you have information about your regional events set, please contact Kim. The only other way that she can get the information is to go on to each region's websites and use that to update the divisional calendar. Please make every effort to keep your websites up-to-date. We can only give out correct information if we have correct information in the first place.

Now that Velma has told you about Solo Spring Training, I would like to give you some information on the Great Lakes Solo Divisional Championship event that will be held the weekend of August 6, 7 and 8, 2010 in Peru, Indiana at Grissom Aeroplex. There will be a Test & Tune on Friday, August 6, and the two-day combined-time competition will take place on Saturday August 7 and Sunday August 8. Competitors will have the opportunity to practice at the Test & Tune, drive two divisional level courses, compete for their class divisional championship and prepare for nationals. There will be a Friday evening Welcome Party (so, bring your appetite) and free lunch on Saturday. Registration fees will be the same as last year and we will be using MyAutoEvents.com for online registration. Let's make this event the best in Great Lakes Division history! We would like to ask each regions' Solo organizer to please not schedule an event on the date of the Solo Divisional Championship in order to get as many competitors to come to the event as possible.

We look forward to seeing you all at Solo Spring Training, then at your season opening Solo events, the Great Lakes Solo Series events, the Solo Divisional Championship, the Solo National Championships and then the Series ender – the annual banquet which is still in the planning stage, but will most likely be held in Indianapolis, Indiana.

See you when the snow quits flying!

Marlene & Velma

Still Waiting for one Event

RM Business Manager Letter
By Chuck Clark

I am itching for the next event. Hopefully the weather will be good so that I can bring out the Corvette. I had fun running Jason's GTI and Judd's 944 during the first events of the season, thanks again guys.

The club has picked up a new sponsor, Batteries Plus. I want to thank Jon McDavid (owner) for the spending the time speaking with me and showing interest in the club.

Batteries Plus is a full service battery supply and design retailer. They carry everything from watch batteries to airplane batteries. Some of the services they provide include, Battery Testing, rebuilding/upgrading battery packs for tools & etc., delivery services, on-site analysis for commercial and industrial customers, free battery recycling. They carry numerous brands and products such as Hawker, Duracell, Optima, Werker, Yuasa, Rayovac, Dewalt and many others.

Batteries Plus is located 314 Goff Mountain Road in Cross Lanes. The store is located in the new retail building on the right as you are heading north into Cross Lanes adjacent from Wendy's. If you need a specialty or just a pack of double A's, stop in and see Jon and his staff. Prices and selections are great. Even if Batteries Plus does not have in stock the hard to find specialty battery you are looking for, they will be able to order for you.

Let's express our thanks for their support. By the way, we might (hope to) see Jon and his son, Chris, at an event soon. Chris has a 2005 GTO and may be interested in running with us.

As a reminder, we still have some Club T-Shirts available. They are \$10 each. Also, the order for the 50th Anniversary Polo shirts will be placed the week of March 8th. They should be available by the April Event. So for those of you that have not pre-paid, please bring funds to the April Event. We will have a few extra shirts for those of you that did not pre-order.

See everyone at Riverside!

- Supplemental Rules – to be discussed by autocross committee
 - 2 driver cars need correct number for each driver. It is not the timer's responsibility to determine who is driving
 - Are drivers allowed to take rides with other people during the event?
- Junior Karting
 - Will start at march event, should have 2 karters
 - Rules for junior karting will be discussed at every driver's meeting
- Miscellaneous
 - Personal property tax needs to be paid
 - May look into switching from Inc. to LLC
 - Registration is open on the web site for upcoming events
 - Martin and Tim will coordinate a time to deliver "thank you" check to Riverside
 - If you ordered a 50th polo, give money (\$20) to Cathy asap
 - Martin will talk to Bert Wolfe about donating prizes for bigger events
 - If you have moved in the last year, please notify Cathy of your new address
 - Martin bought tire changer and will change set of tires for club members for \$10 (any tire up to 19")
 - Cathy needs membership pins and pins for number of years a person has been a member. Martin will check to see if he has any left.
 - Tara will borrow safety vests and walkie talkies for a running race after the march AX and will return them for the April event
 - Discussed holding a driver's school
- April meeting will be held on Friday the 9th (NOTE, it is the SECOND Friday of the month due to Easter the weekend before) at the Francis residence
